In submitting herewith a copy of my note to the council and council resolution No.18 dated 25-8-47 approving the same, I request that the Government may be pleased to accord sanction under section 15(2) of the Town Planning Act for the variation of clause 14(f) of the Falnir Draft Town Planning scheme sanctioned in G.O.No.1631, L.S.G. dated 3-5-1937 as follows:-

"No factory or workshops in which steam, water, mechanical or electrical power is to be employed shall be permitted in the area except in the following: S.Nos.601/3, 611/B2, 611/D, 611/E, 612/1, 613 614, 728, 729/1, 729/2 and 730 of 18th ward".

Note for the Council.

Sub: The Falnir Town Planning scheme - Mangalore - Variation of clause 14(f) of the scheme sanctioned in G.O.No.1631, LSG. dated 3rd May, 1937 - Proposals.

On the memorial from the Bishop of Mangalore, requesting that the St.Joseph's Asylum and Industrial Workshops may be declared as industrial area and recommendations of the council in its Res.No.29 dated 17-2-47 that the area may be declared accordingly the Director of Public Health and the Director of Town Planning were addressed for according their approval for the proposal of excluding the Asylum compound from the already approved and notified residential areas and to have the area notified as industrial area. After perusal personal inspection of of the Asylum compound and the surrounding localities by the Director of Public Health and the Town Planning Expert during their joint inspection in April, 1947, while the proposal was approved and communicated in R.No.17925-Vz-47-3 dated 5-6-47 of the Director of Public Health, it has been pointed out in the letter of the Director of Town Planning Endt.R. C.No.1155-47 dated 5-5-47 contained therein, that in as much as the site in question falls in the sanctioned Falnir Town Planning scheme and as clause 14(f) of the saheme prohibits factories or workshops in which steam, water, mechanical or electrical power is to be employed, the clause should be suitably varied on the lines suggested therein, with the sanction of Government under section 15(2) of the Town Planning Act. It has also been suggested by the Director of Town Planning that in addition to the area covered by the Asylum compound, the lands on the opposite side of Kankanady road S.No.728, 729 and 730 which are also suitable for industrial purpose may be declared as industrial areas so as to have a block of land for industrial development on eithersides of the road as detailed in L.P.No.50/47.

To enable the Municipal Council to declare the land under reference as Industrial area the existing clause 14(f) of the Falnir Town Planning scheme sanctioned in G.O.No.1613, L.S.G., dated 3-5-1937 needs to be substitued, as suggested by the Director of Town Planning as follows:

" No factories or workshops in which steam, water, mechanical or electrical power is to be employed shall be permitted in the area in the following: S.Nos.601/3, 611/B2, 611/D, 611/E, 612/1, 613, 614, 729/1, 729/2 and 730 of 18th ward".

-2-

The council is requested to approve the aforesaid variation, so that the Government may be requested to accord sanction for the same, under section 15(2) of the Town Planning Act.
